

COMPLETE COLLAGEN PRODUCT INFORMATION

Beauty That Starts in the Cells

xyngular®

Turn On Your Body's *Collagen Switch.*

Complete Collagen is a **conversation with your body's renewal systems**. Formulated with clinically validated hydrolyzed peptides, it signals fibroblast cells to produce new collagen where it's needed most.

To amplify results, we paired our multi-source blend with fulvic minerals for better uptake and vitamin C to protect and catalyze new collagen formation so you can see and feel the difference.

Grass-Fed
Bovine

Wild-Caught
Marine

Cage-Free
Chicken

Bioactive Ingredients for a *More Radiant* You.

Skin Elasticity & Hydration

- Marine Collagen (Type I): Smaller peptides for faster absorption, shown to enhance skin hydration (~12%) and firmness (~9%) in just 8 weeks.*
- Hyaluronic Acid: Holds up to 1,000x its weight in water, plumping skin and enhancing elasticity when paired with collagen peptides.*

Joint Comfort & Mobility

- Chicken Collagen (Type II): Makes up ~60% of cartilage and helps cushion joints, support flexibility, and renew connective tissue.*
- Proline + Hydroxyproline: Essential amino acids for collagen's triple-helix structure, linked to cartilage and bone health.

* These statements have not been evaluated by the Food and Drug Administration. These statements and the products of this company are not intended to diagnose, treat, cure or prevent any disease.

Collagen Synthesis & Absorption

- Vitamin C: A required cofactor for collagen production, included to spark your body's own collagen-making process.*
- Fulvic Minerals (from Shilajit): Enhance nutrient absorption and provide antioxidant + mitochondrial support for cellular energy.*
- Collagenase Enzymes: Break down collagen for better bioavailability, delivering amino acids efficiently to skin and tissues.*

Whole-Body Structural Support

- Bovine Collagen (Types I & III): Found in skin, tendons, and bones—clinically linked to smoother skin, stronger nails, and improved bone density markers.*
- Glycine: The primary amino acid in collagen, also key for detoxification and glutathione production.

Restore Your *Glow*, One *Juicy* Sip at a Time

Peach Mango

The lush sweetness of ripe peach meets the golden, tropical tang of mango for a flavor that’s smooth, refreshing, and craveable. Not too sweet, never artificial, it’s a vibrant, fruit-forward blend that feels light and refreshing,

Pina Colada

The bright tang of pineapple blended with the richness of coconut gives you a perfectly balanced tropical flavor that’s light and refreshing enough to enjoy daily, but indulgent enough to taste like a tropical escape in every scoop.

Unflavored

Clean, simple, and endlessly versatile, Unflavored Complete Collagen is designed to blend seamlessly into your routine. With no added taste, it dissolves smoothly into coffee, tea, smoothies, or even your favorite recipes without changing the flavor.

Supplement Facts

Serving Size: 1 Stick Packet (13.4 g)
Servings Per Container: 20

	Amount Per Serving	% DV
Calories	50	
Total Carbohydrate	1g	<1%*
Protein	9 g	
Vitamin C (as Ascorbic Acid)	25 mg	28%
Calcium	40 mg	3%
Sodium	20 mg	<1%

TriSource Collagen Complex™ 11 g †
Grass-Fed Bovine Collagen Peptides, Wild-Caught Marine Collagen Peptides, Cage-Free Chicken Collagen Peptides

Collagen Catalyst Complex™ 80 mg †
Hyaluronic Acid, Collagenase (Protease, Serratiopeptidase), Fulvic Minerals

* Percent Daily Values (DV) are based on a 2,000 calorie diet.
† Daily Values (DV) not established.

Xyngular Complete Collagen™ Typical Amino Acid Profile

Amount (mg) / serving	
Alanine	1,030.91
Arginine	848.43
Aspartic Acid	620.24
Cysteine	5.22
Glycine	2,503.52
Histidine [‡]	70.60
Glutamic acid	1,087.14
Proline	1,464.63
Isoleucine [‡]	157.42
Leucine [‡]	302.70
Lysine [‡]	411.08
Methionine [‡]	93.49
Phenylalanine [‡]	186.08
Serine	366.49
Threonine [‡]	205.33
Tryptophan [‡]	0
Tyrosine	38.62
Valine [‡]	245.09

‡ Essential Amino Acids

Other Ingredients: Natural Flavors, Citric Acid, Organic Reb A, Beta-Carotene (for Color), and Beet Root (for Color).
Contains: Fish (Japanese threadfin bream).
