-

GENERAL RULES & ELIGIBILITY

- The qualification period runs October 1, 2026 (12:00 AM PT) – September 30, 2027 (11:59 PM PT).
- Open to all Xyngular Active Brand Partners in good standing at the time of travel.
- All qualifiers must comply with Xyngular Brand Partner Policies & Procedures. Violations will result in disqualification.
- To qualify for Tier 1, a Brand Partner must earn 100 or more total points. Higher tiers require additional points as outlined in the Qualification Tiers section.
- Points are awarded to the direct upline at the time qualifications are met. If an account rolls up to a new upline, the new sponsor only earns points from that date forward.
- Brand Partners must be 120 PV qualified each calendar month to earn or maintain points. Months below 120 PV will forfeit points for that month. Brand Partners may still earn Inception Volume points regardless of PV status.
- Xyngular reserves the right to modify these Terms & Conditions at any time.
- Accounts engaging in bonus buying or duplicate enrollments may be disqualified (see Section 3 of our Policies and Procedures for more details).

DESTINATION QUALIFICATIONS

- Tier 1 qualifiers (100 points) earn an \$800 flight reimbursement and accommodations for themselves and their guest.
 - Tier 2 qualifiers (200 points) earn a \$1,600 flight reimbursement (\$800 for the qualifier + \$800 for the guest) and accommodations for themselves and their guest.
 - Tier 3 qualifiers (300 points) receive all Tier 2 benefits plus one additional night of accommodations for the qualifier and guest.
 - Tier 4 qualifiers (400 points) receive all Tier 3 benefits plus two additional nights of accommodations for the qualifier and guest. A
 - All tiers include exclusive event swag and a group excursion for the qualifier and guest.
 - Qualifiers book their own flights through Xyngular's designated booking process and are reimbursed up to their applicable flight reimbursement amount.
-

GUEST POLICY

- Destination X 2028 is open to the qualifying Brand Partner and one guest, age 18 or older. The guest must be the Brand Partner's spouse, an immediate family member, or a shared/joint account holder.
- Children are not eligible to attend.
- Destination X 2028 is limited to one trip per household and/or partnership.
- A Brand Partner may not bring another Brand Partner as their guest unless the two share a joint account. In that case, the account qualifies for the trip once, and the two individuals may attend together as the qualifier and guest; no additional guests are permitted.
- Guests may not be affiliated with a direct competitor of Xyngular. Xyngular reserves the right to deny any guest who does not meet the eligibility criteria above.
- Guest registration must be completed by the official close of registration. Late guest additions will not be accommodated.

REDEMPTION

- Qualifiers who cannot attend will forfeit all flights, accommodations, gifts, upgrades, and incentives.
 - Destination X 2028 trips are non-transferable. Because trip funds are allocated per confirmed attendee and committed in advance, a trip cannot be canceled in exchange for credit toward future attendance.
 - An \$800 flight reimbursement is issued per qualifying account at Tier 1. A \$1,600 flight reimbursement (\$800 qualifier + \$800 guest) is issued upon reaching Tier 2. Tier 3 and Tier 4 qualifiers receive the same \$1,600 flight reimbursement as Tier 2, with additional nights of accommodations as outlined in the Qualification Tiers section.
 - Event dates cannot be adjusted or carried forward to future trips.
-

TRAVEL & BOOKING POLICIES

- Qualifiers must register by the stated deadline or the trip and all related rewards (including the flight reimbursement, accommodations, and gifts) will be forfeited.
-

FLIGHTS & TRANSPORTATION

- Qualifiers book and pay for their own flights, and their guest's flights if bringing one, through Xyngular's preferred flight booking vendor, as the first step in receiving this reimbursement. Booking through this vendor allows Xyngular to track flight details in order to coordinate ground transportation and other travel-related logistics. Because flights are booked through Xyngular's preferred vendor, no separate flight itinerary or confirmation number needs to be submitted.

- Qualifiers must book their flights — and their guest's flights, if bringing one — by December 1, 2027 in order for ground transportation to and from the event to be arranged. This deadline is subject to change at Xyngular's discretion; qualifiers will be notified of any updates in advance. Qualifiers who do not book by this date will be responsible for arranging and paying for their own transportation to and from the event. Ground transportation, once arranged, is provided only within the official event dates.
 - Xyngular reimburses flight costs up to the applicable reimbursement amount earned through the qualifying tier, or the actual cost of airfare, whichever is less, within two weeks of the qualifier completing their flight booking.
 - If the qualifier or guest does not attend the event, or the trip is canceled by the attendee, any flight reimbursements issued — including both the qualifier's and the guest's reimbursement — will be deducted from the Brand Partner's future commissions.
 - The guest flight reimbursement applies only to Tier 2 and above qualifiers who have a registered guest attending the event. A qualifier who does not bring a registered guest is not eligible to receive the guest flight reimbursement.
 - Xyngular strongly encourages qualifiers to select or purchase trip insurance when booking their flights. Xyngular is not responsible for flight cancellations, delays, rebooking, missed flights, weather-related disruptions, or other travel issues, and will not cover resulting costs. Any flight costs exceeding the applicable reimbursement amount are the Brand Partner's sole responsibility.
 - If a Brand Partner chooses to drive to the event instead of flying, they must still complete the designated travel registration process by December 1, 2027. Xyngular will reimburse up to the lower of the applicable reimbursement amount or the federally established mileage rate. Reimbursements will not cover incidentals such as tolls, meals, lodging, or parking.
-

HOTELS & GROUND TRANSPORTATION

- Hotels and ground transfers during official trip dates are arranged by Xyngular's designated travel partners. Ground transportation, once arranged, is provided only within the official event dates (or for additional dates earned through qualifying tiers). Qualifiers who do not book their flights by December 1, 2027 will be responsible for arranging and paying for their own transportation to and from the event.
 - All incidentals (e.g., luggage fees, airport parking, off-event meals, and pre- and post-program transportation) are the Brand Partner's responsibility.
 - Trip upgrades (e.g., room categories, additional nights) must be requested during registration and are based on availability and at the Brand Partner's expense, unless earned through a qualifying tier.
 - The Top Earner Award is granted to the single Brand Partner with the highest total points at the close of the qualification period on September 30, 2027. Only one award is given. The recipient receives a suite upgrade based on contracted room types and availability, plus all Tier 4 benefits.
 - All participants must comply with current health and entry requirements for the destination.
 - Brand Partner requests for any trip adjustments must be submitted before the registration deadline. Post-registration changes (hotels, transportation) may be accommodated when possible, but any additional costs are the Brand Partner's responsibility.
-

INTERNATIONAL BRAND PARTNER GUIDELINES

- Applies to Brand Partners residing outside of North America (United States, Canada, and Mexico).
- Guest registration must be completed by the official close of registration. Late guest additions will not be accommodated.

- International qualifiers are eligible for the same flight reimbursement as domestic qualifiers and must book their flights through Xyngular's preferred booking vendor by December 1, 2027 in order to have ground transportation arranged. No separate flight itinerary or confirmation number needs to be submitted. Qualifiers who do not book by this date will be responsible for arranging all transportation to and from the event at their own expense.
- International qualifiers are responsible for obtaining valid visas and travel documents by the registration deadline. Xyngular may provide supporting letters upon request, but all costs, processing times, and requirements are the sole responsibility of the Brand Partner.
- Required travel documents must be completed and valid by both the registration deadline and the travel dates. If securing the necessary documentation is not possible, the Brand Partner must notify the Xyngular Events Team in writing before the close of the registration period.
